How do I get my event listed on the calendar?

Listings are COMPLIMENTARY to all BLS members.

We reserve the right to exclude events determined to be inappropriate for this venue.

Please send only events relevant to professionals working with seniors, rather than to the public, such as **networking events for senior professionals, events where you are looking for senior professional vendors**, etc. Most listings will be 2-6 lines, but you can have a flyer (you provide) added as a link in your listing.

To submit an event you are hosting, please send to Shelly@vitalplan.com with "calendar" in the subject at least 5 days before the end of the month.
